DEDICATION

Mr. E. G. Appel, instructor in architectural drawing in Hackley Manual Training School, has been in the Muskegon Public School system for many years, first as a student and later as an instructor.

He was one of the first graduates from the Hackley Manual Training Normal School in 1917 and later obtained his degree from Central State Normal School. Since then he has done graduate work at the Universities of Michigan and Wisconsin.

In addition to heading the architectural drawing department, Mr. Appel is business manager of the Muskegon High School Athletic Association to which he has devoted endless hours of work.

Mr. Appel, in his quiet manner, has been of help and inspiration to his students and colleagues. He has given unstintingly of his time to school projects and has helped establish the reputation of Hackley Manual Training School in the state as an outstanding vocational institution.

For his service to the school and community the 1952 staff of Said and Done is happy to dedicate this yearbook.

E. G. Appel

INTRODUCTION

Muskegon, the port city, is one of Western Michigan's greatest industrial centers. At least seventy factories, doing heavy industrial work, call Muskegon their home.

Automotive parts, bowling equipment, office and school furnishings — these are only a few of the major manufacturing concerns.

Though the men who produce these commodities are extremely interested in their work, they also find time for recreation such as boating . . . fishing . . . bathing . . . and other forms of outdoor sports.

The harbor is one of the finest on Lake Michigan. Crafts of all sizes and types, including some from foreign nations, come and go during the year.

Culturally, Muskegon boasts its own library, historical museum, art gallery, and symphony.

Educationally, also, Muskegon boasts fine schools, whose scholastic ratings are recognized by the institutions of higher learning throughout the state and nation.

Thus, Muskegon is a well-rounded community providing a means of livelihood in varied types of occupations, avocations, and cultural achievements.

rom the halls of Muskegon High School go the citizens who have taken advantage of the educational facilities provided for them and are now ready to become participants and leaders in Muskegon's

One of the Carmenta girls' biggest events was their fall tea.

Carmenta Combines Literary and Social Interests.

The hum of fifty busy voices filled the halls around room 112 though it was 4:30 on the day that Christmas vocation began. Inside, the members of the Cormenta Literary Society were displaying the true Christmas spirit by donating their time to make other less fortunate people very happy. The girls were working hard to fill Christmas stockings that were to be sent to Winesap School.

Created to do something for the school, the community, and for themselves, the members read to hospitalized children, gave to the Day Care Center, and also to Winesap.

Nevertheless, Carmenta members find time to sponsor many social events. Among these are the annual Kick-off Dance and Christmas banquet, and yearly highlight, the Cotton Ball.

Costumes lay piled in a mately colored heap in a corner; the auditorium was littered with programs. The 1951 presentation of "The Bat" was over; the Masque Dramatic Society has added another fine performance to its long line of accomplishments.

But there are other things on the agenda of any Masque member: the production of the three ane-act plays in the Spring, the participation in the Play Festival at Hope College, and the purchase of stage equipment for the school, and charitable donations.

Requirements for Masque are stiff, but they are essential and worth-while in the development of an appreciation and understanding of dramatic literature and an effective method of self-expression.

Hackley Stadium was filled to capacity. It was a caal Saturday in November — just right for a football game. Secands after, the fairly feracious Tigers had filed anta the field, Hackley Stadium graaned under the weight af five thausand loyal Muskie fans as the Big Reds, unbeaten and untamed, stormed aver the turf. Ribbans shot through the air . . . and occasionally sa did a student. But in the midst of all this chaas and canfusion, battered but undaunted, fighting and clawing his way to the exit was Little Red, a member of the Muskegon High School Hi-Y Club. He was just returning from a successful jount through the milling mab where he had sald the cancessians which were purchased by Hi-Y for sale at the faatball games.

This wasn't the first time that the students at Muskegan High School had seen Little Red as an active member af Hi-Y. He cauld be seen all through the year as he participated in the various club functions: preparing baskets far the needy in this community,

packing Christmas baxes far averseas, decarating the gym far the annual St. Patrick's Day Dance, and maybe yau saw him last December riding with his dad to the Father and San Banquet.

These are the activities that instigate and preserve in the mind of each member the high ideals of Hi-Y: clean speech, clean sports, clean scholarship, and clean living.

Our Band is Nationally Known.

The Muskegon Senior High School Marching Band, one of the finest in the United States, is a big reason why Muskegon is on the map.

Starting practice long before school starts, the band is ready to go by the time most students are awakening to the shocking fact that school has begun. Throughout the football season the band can be seen drilling every third hour during the

week, and then astonishing fans on the week-ends with their precise and clever formations.

After the grid season has passed, the band goes through a quick change and reappears suddenly as the Muskegon High School Concert Band. Then a series of concerts and contests are held, and once again we find the band on the top of the heap.

Our Orchestra Makes Its Mark in Concerts.

First cousin to the marching and concert bands is the Muskegon High School Orchestra, another fine organization, and no less famous. Producing a variety of music, the orchestra plays with finesse. Under the same able directorship as the band, that of Mr. William L. Stewart, Jr., the orchestra corries forward the fine, high traditions of Muskegon Senior High.

The annual concert, presented in the early spring, is always something that the community and students look forward to.

Spanish Club Gives a Bit of Latin America.

Let us be aff to the "baaal fight" at the arena, where El Dynamita is taking an all comers. Here we will find all the gay decarations, the lively music, and the quaint customs of our South American neighbors; to say nothing of the sauve senars and sparkling senaritas.

A fine place to acquire some of the South American atmosphere is at any meeting of the Spanish

Club, where students learn much of the customs, literature, and arts of the Spanish and Spanish-Americans.

There are twenty-six Spanish students who are interested enough in this subject to pursue it beyond the class room level, and they participate in a variety af activities. Among their activities are donut sales, parties, and projects.

"Nas gusta la siesta," say Dennis Suchecki and Jerry Allare.

The bell had rung for seventh hour. About five minutes later students began to file into room 207A. By three o'clock everyone was present, and the chatter increased. Paper flew, pencils flew, and pictures flew. Then it was 3:10; everyone began to get ready to go home. But suddenly, "there came a tap, tap, tapping," (quote the Raven). A cry of alarm went up, "Here comes Miss Pihlstrom!"

Immediately the typewriters were beating out a regular staccato, and everyone was hard at work. Nevertheless the Annual is completed and we offer it to you with the sincere hope that you will like it.

Let's get those identifications right.

. . . and the Keyhole Records Your News.

Who floods the halls of Muskegon High School every two weeks with a variety of news? Who produces the paper that keeps the student body in stitches with humor and cartoons? Who keeps the students well informed of events here at Muskegon High School, in the state, the nation, and the world? Mr. Harrison and his journalism II class get all the

credit. And they well deserve it, for the Keyhole is a newspaper that is all but printed by students.

We note that the Keyhole was permanently organized for the purpose of serving the school and the student body. All will agree that this objective is attained with a high degree of quality.

The Emphasis Here is Placed on Spiritual Values.

In order to present Christion surroundings to the students at Muskegon High School, a club was formed that would fill this capacity and occupy the wasted noon hours for the students. That club is Hi-C. Time that would otherwise be spent wandering around can be used constructively in praying, singing, study-

ing the Bible, listening to various clergy, or just using the time for quiet meditation.

Hi-C has also sponsored donut sales during the year and have presented programs at various churches.

Hail! Mighty Romans of Yore!

The Muskegon High School Latin Club, LXXVI live members bonded together to study the effects of a dead civilization on the modern world, functions under a form of government different from that of any other club at Muskegon High. The entire executive, judicial, and legislative bodies ore copied

from that pattern established two thousand years ago by the ancient, but practical, Romans.

Organized to increase a knowledge of the Classics, the club this year adopted a program designed to describe the various types of Raman amusements.

Muskegon unveiled its 1952 football machine with a 27-0 win over Lansing Sexton at Hackley Stadium. Showing plenty of power and promise, the Big Reds then journeyed to Flint where they met a highly rated Flint Central eleven and their first real test of the season. Behind 13-6 in the second period (the only time they trailed an opponent this year), the Reds snapped back for a 36-13 decision and gained recognition of being the team to beat in the state.

Against Grand Haven the following week the Muskies pounded out a lapsided 41-0 victory. Next came a terrifically underrated Benton Harbor team which found the charges of Coach Harry Patter grinding out a lone touchdown to win 7-0 over the downstate Tigers. This was a costly victory however; for during the rugged play, star defensive back, Bab Kendall, suffered a fractured ankle and was lost for the season.

The next weekend, led by the smooth passing of quarterback Earl Morrall, the Big Reds smothered Holland 48-0 with reserves playing most of the second half.

Hapless Hamtramck was next to feel the might of the rampaging Reds, and they fell under the 'canqueror's heel' 45-6. It was a great homecoming display for the old grads with Hamtramck's only scare coming in the fourth period against Muskegon reserves. Battle Creek, the next opponent, fared no better. The final gun found them buried under an amazing total of 491 yards

and fifty-three points, while their own efforts netted only seven. Well on their way to a State Championship the Muskies clinched the Southwestern Conference Crown with a sizzling 33-0 win over Kalamazoo in a blinding blizzord and sub-freezing weather.

As the final week of prep football rolled around, the Big Reds and Grand Rapids Catholic Centrol were tied for first place in the controversiol AP pall. Despite the Caugar's final impressive win over their Detroit apponent, the Big Reds were nominated mythicol State Champions by virtue of their complete mastery of the Heights Tigers.

The annual rivalry was played in a sea of mud at Hackley Stadium, and the outcome was never in doubt as the Big Reds, displaying power everywhere, smashed the mediocre Heights machine to a 26-6 count.

Packed with power in every deportment, this was 'the' year for the Red and White. Led by All-American Earl Morrall, the wellbalanced backfield was hardly ever stopped or even slowed down. The Muskie line, studded with All-Staters, devastated the running attacks of all opposition besides opening gaping holes in their lines for the hard-running backfield. When combined and under the direction of a most capable coaching staff, they presented a team which ranks among the best ever assembled at Muskegon High School and among the finest in the state.

Muskegon won the regional championship while tying with Kalamazao for the Southwestern Conference title. They were beaten, however, by Holland in the quarter-finals, 48-37, and thereby lost their chances for a State Championship.

With good material, much of it from their champion football team, the Big Reds made a fine showing. In their first game they rolled over Grand Rapids South 49-36.

Kalamazoo proved later in the season to be a serious threat to Muskegon,

but in their first encounter the Red and White came through with a decisive 50-37 victory.

At Benton Harbor the following week, the Big Reds, although showing little scoring strength, came up with their third victory, a 38-30 win over the down-state Tigers. Scoring 47-33 the Muskies toppled Muskegon Heights.

In the Grand Haven game Muskegon's superior ball handling enabled them to rack up a smashing 65-47 victory over the Buccaneers. Bottle Creek was the next apponent over whom they rolled, leading throughout the entire game, with the final score standing 44-31.

Against Holland an outclassed Muskegon team tasted

their first defeat of the season 51-36. Muskegon fell into second place in the conference race as they ran into a rugged and improved team from Kalamazoo.

The Reds snapped their losing ways against Benton Harbor the following week by coming up with a 56-41 triumph. A return game with the Heights Tigers showed that Muskegon still had it in them as they devastated the Bengals with an easy 59-26 win.

Playing Holland at home seemed to make all the difference in the world as the Muskies rapped the Dutchmen far a 60-42 score.

The Big Reds then overpowered a highly-rated, but much weaker, Grand Rapids Christian team, 83-38. Another one-sided game was played with Lansing Sexton and Muskegon emerged the victor 69-48.

Muskegon then rolled over an inferior Grand Rapids Creston team 70-35.

Continuing in the regional taurney, the Reds handed Union a crashing 50-43 defeat. Muskegon then met the upset victor of Grand Haven, Muskegon Heights, as the tournament neared its final stages; the Tigers extended the Reds 44-40 with brilliant ball-handling and an airtight defense. Then came the quarter-finals and Muskegon's final game of the season. The Hollanders sunk the Big Reds and closed the Red and White's season.

Muskegon totaled 1009 points for the season and held

their opponents to 766. They won 16 and lost three and placed three players, captain Don Rademaker, Bob Fairfield, and Earl Morrall, on the Southwest conference all-star team.

Next year's "Reds" make a name this year.

The Little Reds opened the 51-52 season with a 39-34 win over Grand Rapids South and a hint of what was to come. But Kalamazoo and Benton Harbor had ideas of their own, and the Red and White Basketeers fell to eoch: Kazoo 37-16, and Benton Harbor 47-33.

The following week Muskegon surprised the local basketball world with a brilliant 62-49 upset of the Heights Tiger Cubs. Then came a succession of four defeats; to Grand Hoven 50-34, to Battle Creek 53-24, to Holland 40-38, and again to Kolamazoo 40-31. But the victory-starved Reds rallied against Benton Harbor by a 54-43 triumph; and happy days were here again.

However, they were short-lived. Muskegon Heights, seeking revenge for their previous defeat, snuck by the Red and White 31-29. But Muskegon avenged their earlier loss at the hands of the Little Bucs with a 38-35 victory.

Flint Northern stopped Muskegon 53-23, and Holland followed suit 48-40 before the Little Reds racked up a 40-26 win over Grand Rapids Christian. The final game of the season found Muskegon floundering in a deluge of 67 paints by Lansing Sexton while their own sharpshooters bucketed 47.

With Coach Barkell, a graduate of Northern College of Education, in his first season at the helm, Muskegon showed a total of five wins and ten losses, 548 points for, and 653 against, and some fine prospects for the Big Reds in the persons of high-scorer Ron Knop, Capt. Phil Berdinski, and Dick Harvey.

The opening of the Muskegon Reserves' season found them motched against Grand Rapids Union seconds who fell before them with a 25-13 score. After a game at home, Muskegon traveled to Hesperia where they steamed to a 21-7 victory. Slowed by the Grand Haven seconds ofter a 13-0 defeat, they journeyed to Benton Harbor where the Little Reds emerged with an 18-0 winning game. Away from home again Muskegon hit Holland for a 27-0 victory. Whitehall was thrown for a 27-0 loss by the Reds. But Muskegon met their scoring height as they rolled over the Fremont seconds 71-0. At Hackley Stadium, the Little Reds made a pelting 19-7 victory over the Kalamozoo team. But rivalry of the Muskegon

lack of depth and balance are the chief woes of Caach Tom McShannock as he prepares his 1952 track squad for its initial meet with Holland. With miler Schaffer, half-miler Hine, dashman Starks, and shot putter Manchester, the only returning lettermen, Coach McShannock will have to depend largely on untried material.

Early practice sessions have shown Muskegon to be strongest in the mile run, but here, too, lack of experience may prove to be a disadvantage. Coach McShannock believes that his squad will improve as the season progresses, but it is questionable if the boys will better their 1951 record.

Last year's cindermen finished third in the Sauthwestern Conference winning three of four dual meets. In the Grand Rapids meet the lads from Muskegon finished fourth. Early this year at Mount Pleasant Muskegon garnered but 6 points, and McShannock is keeping his fingers crossed that they will make a better showing in the conference.

BASEBALL

The best in the State! That was Coach Harry Potter's baseball squad of 1951. This year Coach Potter is hoping for another fine season since a nucleus of his championship squad is returning. Last season Muskegon won the Southwestern Conference crown, sailing through an undefeated season, and the Big Reds were

victorious, defeating Battle Creek and Monroe for the State Championship in the Battle Creek Baseball Invitational Tournament.

Bad weather has hampered early practice sessions and the squad was picked only a few days before the opening game with Coopersville. Though veterans are expected to fill most of the positions on the first nine, capable reserves are being sought by Coach Potter.

TENNIS

The netters of Bill Bos have taken their rackets out of math balls and are laosening their kinks in preparation for another winning seasan. With lettermen Keith DeForest, Harry Voss, Jerry Janesan, and Captain Wayne Keift returning and several of last year's reserves on hand, the prospects for the year laok fairly good. Added depth is expected due to the large turnaut of 27 bays and the summer recreation program.

Last year, the first season for tennis in five years, a good beginning was made as the team wan five af eight matches including two victories over Muskegon Heights and Grand Haven.

The main problem facing Caach Bas is the lack af facilities, with McGraft Park affering the anly caurts. Still, with favarable weather, the bays will be in shape far the apening match against Halland.

Girls' Athletic Association

Seventy-eight girls are enrolled in girls' sports sponsored by G.A.A. From early fall until late in the spring these girls ploy together every week in varied sports ranging from field hockey, tennis, and baseboll to volleyboll and bowling.

The group exists to help create an interest in sports and to provide girls with an opportunity to ploy and work together far better understanding and good feeling.

GAA FIELD HOCKEY

Field hockey is the answer for girls who like to participate in a sport full of thrills and hard play. Beginning in the fall, the teams play each other in a round-robin tournament. Last fall forty-four girls toak part in this sport. They were divided into four teams headed by Heleen Pelger, Donna Carlsan, Norma Thompson, and Maudella Warren. Heleen Pelger's "Gazelles" were the champions.

GAA BASKETBALL

The eighty girls who participated in basketball this year found it a clase tournament with two teams staying in the top position all the way. Karen Eriksen's "K-9's" and Kothleen Keur's "Little Women" tied for first place after only losing one gome apiece to the second place team, Mary Johnson's "Basketeers."

GIRLS' BOWLING

The girls' bowling tournament again ended in a co-championship with Phyllis Musk's "Sharp-Shooters" and Nancy Fagan's "Strikerettes" tying for the top position.

Tula Stathis held the season's highest average with 127; Janet Khun was second with 124; and the high individual game winner was Tula with 225.

In the National Mail-o-graphic tournament held on March 22, Nancy Fagan's team, composed of Nancy Klang, Ellamarie Willinghom, Pat Robinson, and Tula Stathis, bowled into first place with a total of 2264 pins.

SWIMMING

Girls interested in swimming have the opportunity either to enjoy themselves in recreational swimming or to work for their junior or senior badges in life saving. Altogether about 50 girls participated in these two classes conducted by the instructor, Mrs. Seastrom.

VOLLEYBALL

Kitty Keur's team swept through the after-school tournament as undefeated champs of nine other teams. This exciting sport, which requires plenty of team work, timing, and follow-through, is also a regular part of the girls' gym program.

BASEBALL

Spring means time far one of the girls' favorite sparts: boseball! As usual, over a hundred girls turned out far the games played on Wilson field. Some of the exchange students who had never played baseball before had as much fun learning the fundamentals of the game as the other girls did teaching them.
